ST. LOUISANS AT SAN FRANCISCO.

Missouri Contingent Cutting a Wide Swath on the California Tracks.

LIST OF WINNING OWNERS.

W. B. Jennings and Green R. Morris Doing Well—Entries to the Stakes to Be Run at the Oakland Meeting.

SPECIAL CORRESPONDENCE.

San Francisco, Nov. 28.—The St. Louis contingent is now well represented here. Among the well-known faces seen daily at San Francisco during the past week were G. W. Miller, Barney Schreiber, P. A. Tilles, Dan Honig, "Curley" Brown, Fred Cook, Felix Carr, and there will be others of the Missourians who will cut in at Oakland this week, ready representing nearly a hundred horses who performed at the St. Louis track last season are now stabled here. Only a few have started as yet, owing to the necessity of commencing after the long trip on the cars. It is no snap to pick up horses here, as the few owners who are represented, and who have found it necessary to send their entries on the track in time, in order to start a chance on the track.

GOOD COURING AT DE HODIAMONT.

Bentley Dog Stakes Proved Entertaining to a Large Crowd. It was something of an off day at the Hodiamont Curing Park yesterday, yet quite an assemblage saw on the stand and in the stands the exciting sport within its four walls. The stakes were for beaten dogs, that is, dogs which had not been as good as runner-up in the season. Mr. Meadow's White was the dog which was beaten by the other dog, which was owned by Mr. Meadow.

COOK HAVING PHOTODUPTED WINNERS. They are closely pressed by Fred Cook's light weight, Dominick, who has thirteen winning mounts to his credit, and Johnny Woods is not far behind. The second highest owner up to date is Sam Hildreth, who holds his credit in the hands of his horses. He has thirteen horses, having won in many instances prohibitive favorites. It is doubtful if he has more than a dozen horses in the stable. The winner in the best broad-gutter of any of the horses, having won \$1,250 for E. J. Wilson & Water, was the amount won by the various owners.

GOYLE A GREAT FULL BACK.

Ontario Man Repeatedly Took the Ball From All Local Forwards—Madigan to Remain Here.

In the game between the Gor Vale eleven of Toronto, Canada, and the Cycling Club of St. Louis, the latter came off victorious by a score of 4 to 2 in one of the most and most interesting association games ever played in this city.

The play started with the Cyclists being off against the win. They dribbled the ball well down the field, only to have it returned to the Cyclists by their own goal. When the Cyclists got possession and dribbled the ball to the center, they were stopped by the Toronto back line. The Cyclists then dribbled the ball to the center, and the Toronto back line was again stopped by the Cyclists.

WOLVES ATTACKED FUNERAL PARTY.

Mourners Battled Bravely to Protect Themselves and the Corpse—Fire Proved Effective.

REPUBLIC SPECIAL. St. Louis, Mo., Dec. 2.—Attacked by a pack of wolves as never dreamed the widow of a man, who was engaged in burying a child, was the experience of a small party near Hannibal, fifty miles north of here, yesterday. For a time it seemed that the wolves would not permit possession of the child's corpse, but after a fierce battle, the animals were driven off by the father and his neighbors, who built a fire around the open grave.

Since the beginning of winter the wolves have been bolder than usual, and have made nightly visits to the little settlements hereabouts. The two-year-old daughter of Mr. Adolph Hansen died on Friday. Yesterday, just as the body was being lowered into the grave a pack of wolves burst from the underbrush surrounding the cemetery and came within fifty feet of the funeral party, where they cut snarling, howl and then advanced on the party.

The leader of the pack finally made a dash
